Soloed

Hi Fam!

As we approach the end of our flying season, we wanted to remind you about our upcoming FAM Annual Spring Fly -Away and Potluck on March 22, 2025. To add to the festivities, please bring a dish or side to share. For fun, bring one or two airplanes to showcase our passion for aero modeling .

We'll kick off the day's events around 10 a.m. and will continue the fun until whenever. It promises to be a great way to end the flying season with fellow enthusiasts.

We sincerely HOPE to see you there, sharing good food, camaraderie, and the joy of flying!! Make sure to check out our website for all the new video content!! Thanks to everyone for a great Warbirds event. Well done!!!

Just a reminder the next Club Meeting is March 11th at 7 pm at Florence Gardens Community Center.
